NSHA FINANCIAL OPERATION

SCI Munich is following up all the leads on the NSHA Financial Operation which was headed by HIMMLER personally.

Through interrogation of George SPITZ who was working in Belgium and Agi ZELENYAY who was working in Slovakia it appears that the funds were employed to buy arms, gas, oil and all types of valuables such as paintings, rugs, gold, jewelry etc. in order to finance an underground movement.

At this stage of the operation we are able to reconstruct the organization of the NSHA Financial Operation in such a manner that it will enable us to find all the people involved in the buying and selling of English pounds.

The personnel of the organization was as follows:

HIMMLER

KALTENBUNNER

SCHUELLERBERG

Standartenfuhrer
Obergruppenfuhrer SPAZIL

Fritz SCHWEND alias WENDIG
(in charge of all European operations)

Sturmabannfuhrer HOETTL
(in charge in Budapest)

Hauptsturmfuhrer FROELICH
(in charge in Vienna)

The following persons are the agents who were selling pounds in different countries:

For Switzerland: Rudi and Oskar BLASCHKE

For Denmark: Fred MANSER and his brother (first name unknown)
LUND (first name unknown)

For Italy: Fred MANSER and his brother

For France: CHARLES (first name unknown)

For Yugoslavia: Captain ELAVAN alias GUNTHER

In addition to those listed Dr. George GYSSLING, former German consul at Los Angeles, acted as adviser to Fritz SCHWEND. Also involved was Josef DAUSER, head of Amt VI, Munich, who received pounds from SCHWEND and the BLASCHKE brothers which were to be sold by George SPITZ in Belgium.

Summary of SCI Operations

George SPITZ who is under our control is living at his home at Benerberg near Rosenheim and is furnishing us with valuable information.

Agf ERLENBAY who is also under our control is at present under interrogation at his home near Rosenheim.

In addition we have visited Mrs. Christine W. BOONE, a friend of George GYSSLING, who is living at Unterach/Attersee. Mrs. BOONE is a naturalised American citizen and is at present taking care of three villas owned by Mrs. JERITZA, the opera singer. GYSSLING stayed with her until 1 April when he left for Meran. Mrs. BOONE does not appear to know much about GYSSLING's activities but she made a most unfavorable impression.

Future Proposed SCI Operations

To clear up this case there are at present three targets to be visited:

1. Unterstein near Berchtesgaden where Gunther WISCHMANN is living. WISCHMANN should be arrested and interrogated.
2. Marktschwaben where Obergruppenfuhrer SPAZIL has stored some part of the valuables purchased by the NSDA and where SPAZIL himself is probably living.
3. Meran which is the headquarters of the organisation and where we expect to find Dr. George GYSSLING, Fritz SCHWEND, the BLASCHKE brother and Harald WAERNINGER.

After these operations it will be possible to decide if any long range exploitation is necessary.
